Re item 5 of the agenda

The Board of Directors proposes appointment of KPMG, Statsautoriseret Revisionspartnerselskab (Central Business Register No. 30700228).

Re item 6.1 of the agenda

Proposal to reduce the share capital and to effect the related amendment of Article 3 of the Articles of Association.

Background

Since the extraordinary general meeting held on 25 October 2011, the Company has acquired own shares. Some of the acquired shares will be used to cover the Company's incentive schemes, and it is proposed that the remaining shares be cancelled such that the share capital is reduced by own shares of a nominal value of DKK 2,000,000.00. After the reduction, the Company's share capital will have a nominal value of DKK 188,000,000.

In accordance with section 188 of the Companies Act, notice is hereby given that the purpose of the capital reduction is to cancel part of the Company's portfolio of treasury shares. According to the practice of the Danish Business Authority, this is comparable to a capital reduction for distribution, see section 188(1)(ii).

In connection with the capital reduction it is proposed to amend Article 3 of the Articles of Association to reflect the capital reduction.

As a result of the capital reduction, Article 3 of the Articles of Association will read as follows:

"The Company's share capital amounts to DKK 188,000,000.00."

Prior to implementing the capital reduction, the Company's creditors will be requested to file any claims they may have against the Company within a time limit of four weeks. The request will be published through the Danish Business Authority's IT system. The capital reduction will be implemented after expiry of the said four-week time limit.

Re item 6.2 of the agenda

Proposed resolution from the Board of Directors granting authorisation to acquire treasury shares and to amend the Company's Articles of Association accordingly.

Background

For the purpose of maintaining an active capital allocation policy and covering the incentive programmes of the Company, proposal is made to grant a new five-year authority to the Board of Directors to acquire treasury shares up to a nominal value of DKK 18,800,000 of the share capital, corresponding to 10% of the capital (after the proposed capital reduction has been effected), provided that the Company's portfolio of treasury shares does not exceed 10% of the Company's share capital at any time.

It is proposed to amend the wording of Article 4c of the Company's Articles of Association as follows:

"In the five-year period after the Annual General Meeting held on 21 March 2012, the Company may acquire treasury shares of a nominal value of up to DKK 18,800,000 of the share capital following a resolution of the Board of Directors. The consideration for treasury shares may not deviate by more than 5 per cent from the most recently quoted market price of the shares at the date of acquisition."

Re item 6.3 of the agenda

The Board of Directors proposes an extension of the authorisation to increase the share capital as stated in Article 4a of the Articles of Association until 21 March 2017. At the same time, the Board proposes to adjust the maximum nominal value of new share issues to DKK 37,600,000. Consequently, subsection 4 is deleted from the relevant provision.

Background

As the existing authorisation, granted on 30 April 2007, will expire on 1 May 2012 and as the Board of Directors wants to

continue to be able to increase the Company's share capital, if deemed necessary by the Board, it is proposed to grant a new five-year authority to the Board of Directors to increase the share capital through one or more issues by the issuance of new shares of a nominal value of up to DKK 37,600,000 against payment in cash or in kind. The Board of Directors may decide that the subscription is to be made without pre-emptive rights for existing shareholders provided that the shares are issued at market price, and may also decide that the subscription is to be made with pre-emptive rights for existing shareholders. Further, the Board may decide that the capital increase can only be subscribed for by one or more named investors, by creditors' conversion of debt, or as full or partial payment for acquisition of an existing enterprise or specific assets. The new shares are negotiable instruments and must be registered in the names of the holders. No restrictions shall apply to the transferability of the new shares.

The wording of the proposal is different than in the existing Article 4a, a.o. since there has been a split into the new Article 4a1, Article 4a2 and Article 4a3. The reason behind this is that the Danish Business Authority recently has changed its practice in relation to capital increase authorizations, why it is necessary now to have a provision for capital increase without pre-emptive rights for existing shareholders and further a provision regarding the capital increase with pre-emptive rights for existing shareholders. Substantively there is, however, no change to the current Article 4a, taking into consideration the proposed aggregate cap in Article 4a3 for the size of the nominal capital, the Board may decide upon.

It is proposed to amend the wording of Article 4a of the Company's Articles of Association as follows:

"Article 4a1

In the period until 21 March 2017, the share capital may be increased through one or more issues by the issuance of new shares of a nominal value of up to DKK 37,600,000 following a resolution by the Board of Directors. The increase may be effected by payment in cash as well as in any other manner.

The shares are to be issued at market price, and the subscription is to be made without pre-emptive rights for existing shareholders. The Board of Directors may decide that the capital increase can only be subscribed for by one or more named investors, by creditors' conversion of debt, or as full or partial payment for acquisition of an existing enterprise or specific assets.

The new shares are negotiable instruments and shall have the same rights as the Company's present shares. The new shares must be registered in the names of the holders. No restrictions apply to the transferability of the new shares, see Article 5. The Board of Directors shall lay down any other conditions for effecting the capital increase.

Article 4a2

In the period until 21 March 2017, the share capital may be increased through one or more issues by the issuance of new shares of a nominal value of up to DKK 37,600,000 following a resolution by the Board of Directors. The increase may be effected by payment in cash.

The subscription is to be made with pre-emptive rights for existing shareholders. The Board shall determine the subscription price.

The new shares are negotiable instruments and shall have the same rights as the Company's present shares. The new shares must be registered in the names of the holders. No restrictions apply to the transferability of the new shares, see Article 5. The Board of Directors shall lay down any other conditions for effecting the capital increase.

Article 4a3

The nominal capital increase which the Board may decide upon, pursuant to Article 4a1 and Article 4a2, cannot exceed DKK 37,600,000 in the total aggregate."

Re item 6.4 of the agenda

Background

The proposed resolution implies a minor adjustment of the Company's current General Guidelines for Incentive Pay whereby it is made clear that the Guidelines apply to the Executive Board as well as the employees of the Company. Furthermore, it

is stated that members of the Board of Directors may no longer receive payment in cash as part of their incentive pay. The Guidelines also explain the competency levels relative to the grant of incentive pay to members of the Executive Board and other staff and state that the grant of share options must be made at the average quoted price on the five consecutive trading days preceding 31 March 2012. Finally, it is stipulated that any cash bonus to Executive Board members and other staff may not exceed 50% of the total remuneration.

As a result of the proposed amendment, Article 4b of the Articles of Association will read as follows:

"At the Annual General Meeting held on 21 March 2012, the general meeting has resolved to adopt new general guidelines governing the Company's incentive pay system for the employees of DSV A/S.

The guidelines are published in the corporate website."

The proposed revisions of the General Guidelines for Incentive Pay are available on the Company's website, <http://investor.dsv.com/agm.cfm>.

Re item 6.5 of the agenda

The Company has engaged a new keeper of the register of shareholders as of 1 February 2012.

Consequently, the Board of Directors proposes to amend the wording of Article 5a of the Articles of Association as follows:

"The Company's register of shareholders must be kept on behalf of the Company by a keeper of the register of shareholders appointed by the Board of Directors:

Computershare A/S

CVR. No. 27088899"

Re item 6.6 of the agenda

On 1 January 2012, the Danish Commerce and Companies Agency changed its name to the Danish Business Authority.

Consequently, the Board of Directors proposes amending the wording of Article 8(1) and (2) of the Articles of Association so that all references to 'the Danish Commerce and Companies Agency' are replaced by 'the Danish Business Authority'.

According to Article 8(1) of the Articles of Association, general meetings must be held in the Company's registered municipality, in the City of Copenhagen or in the Municipality of Frederiksberg. For the purpose of allowing the Company the largest possible degree of flexibility to decide the geographical location of venues for future general meetings, it is proposed to enable the Company to hold general meetings in the Greater Copenhagen area in future.

Consequently, the Board of Directors proposes to amend the wording of Article 8(1) and (2) of the Articles of Association as follows:

"General meetings must be held in the Company's registered municipality (as recorded in the IT system of the Danish Business Authority) or in Greater Copenhagen.

General meetings must be convened by the Board of Directors giving not less than three weeks' and not more than five weeks' notice by notification on the Company's website, through the IT system of the Danish Business Authority, in writing or possibly by e-mail to the shareholders registered in the Company's register of shareholders who have so requested."

3. Adoption requirements

The following adoption requirements apply for proposed resolutions to be considered adopted:

- (i) Proposals under items 2, 3, 4, 5 and 6.4 can be adopted by a simple majority of votes.
- (ii) Proposals under items 6.1, 6.2, 6.3, 6.5 and 6.6 can be adopted provided no less than two-thirds of the votes cast as well as of the share capital represented at the general meeting vote in favour of the proposals.

4. Amount of share capital and shareholders' voting rights

According to section 97 of the Companies Act, notice is hereby given that the Company's nominal share capital amounts to DKK 190,000,000 and is divided into 190,000,000 shares of DKK 1 each. Each nominal share amount of DKK 1 entitles the holder to one vote. Accordance to section 197(1) of the Danish Companies Act, however, the voting share capital must be calculated less the shares held by the Company as treasury shares. At 22 February 2012, the Company held 4,765,150 shares as treasury shares.

5. Attendance at the general meeting and voting

In order to attend and vote at the general meeting, the following conditions apply:
