

### **HALF-YEAR 2019 RESULTS**

Conference call – 31 July 2019, 11.00 am CEST

#### **Disclaimer**

#### Forward-looking statements

This announcement contains forward-looking statements that reflect DSV's current expectations and views of future events. Some of these forward-looking statements can be identified by terms and phrases such as "estimate," "expect," "target," "plan," "project," "will" and similar expressions. These forward-looking statements include statements relating to: the expected characteristics of the combined company; expected ownership of the combined company by EGS; expected financial results and characteristics of the combined company; expected timing of the launch and closing of the proposed transaction and satisfaction of conditions precedent, including regulatory conditions; and the expected benefits of the proposed transaction, including related synergies. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such statements. These forward-looking statements are based on our beliefs, assumptions and expectations of future performance, taking into account the information currently available to us. These statements are only predictions based upon our current expectations and projections about future events. Risks and uncertainties include: the ability of DSV to integrate Panalpina into DSV's operations; the performance of the global economy; the capacity for growth in internet and technology usage; the consolidation and convergence of the industry, its suppliers and its customers; the effect of changes in governmental regulations; disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees or suppliers; and the impact on the combined company (after giving effect to the proposed transaction with Panalpina) of any of the foregoing risks or forward-looking statements, as well as other risk factors listed from time to time in DSV's and Panalpina's public disclosures.

The forward-looking statements should be read in conjunction with the other cautionary statements that are included elsewhere, including the risk factors included in any public disclosures of DSV or Panalpina. Any forward-looking statements made in this announcement are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realised or, even if substantially realised, that they will have the expected consequences to, or effects on, us or our business or operations. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

#### IMPORTANT ADDITIONAL INFORMATION

This announcement does not constitute or form part of any offer to exchange or acquire, or a solicitation of an offer to exchange or acquire, shares in Panalpina, or an offer to sell, acquire or offer, or a solicitation to sell, acquire or offer shares in DSV. ### **Highlights**

Growth rates for gross profit and EBIT are in constant currencies and adjusted for IFRS 16 impact

#### Share buyback

- Current share buyback programme launched 30 April and running until 8 November 2019.
- Up to maximum of DKK 3,500 million.
- As per 29 July we have repurchased 2,2 million shares at a total amount of DKK 1,349 million.

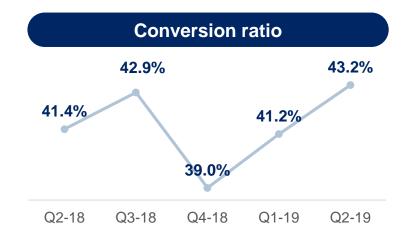

- Good results in the second quarter in spite of soft transport markets especially within air freight.
- Managed to outgrow market while still delivering market leading profitability.
- Gross profit growth of 5.5%, driven by all three divisions.
- EBIT growth of 4.1% primarily attributable to Air & Sea and Solutions. Road negatively impacted by lower number of working days.
- Panalpina transaction is on track and is progressing well. We expect closing in Q3.

### Air & Sea

(DKKm)	Q2 2019	Q2 2018	Growth*	H1 2019	H1 2018	Growth*
Gross profit	1,305	1,201	+6.6%	2,499	2,281	+6.7%

EBIT	1,093	988	+7.8%	2,091	1,783	+13.5%

<sup>\*</sup>In constant currencies and adjusted for IFRS 16 impact

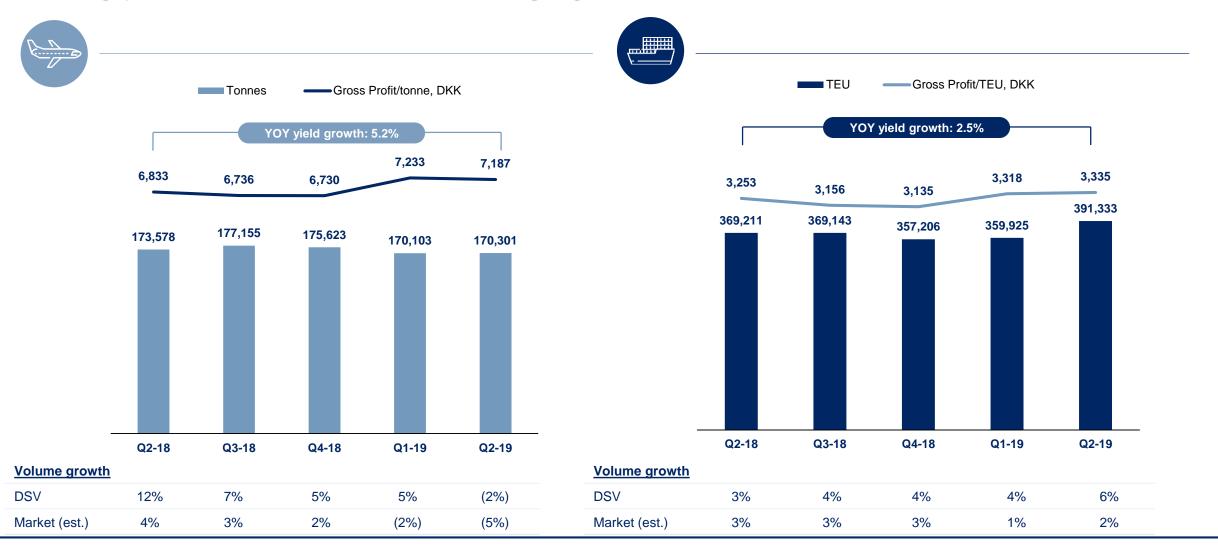

- Sea freight volume growth of 6% in Q2 and stable yield development.
- Air freight volumes down 2% in a weak market. This was compensated by strong yield development.
- Volume in air freight was impacted by the termination of high-volume, lowmargin business.
- Record high conversion ratio of 43.2% and operating margin of 11.3% for the quarter.
- Very limited IFRS 16 impact.
